## LW156FV ultra low king

- **Product Category:** Wheel Loader
- **Brand:** XCMG
- **Model:** LW156FV ultra low king
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

### Product Feature of LW156FV ultra low king

LW156FV ultra low king is a product independently researched and developed by XCMG. It is equipped with national engine, high-quality split type double change, four-wheel drive, full hydraulic steering, strong power, higher efficiency and stronger environmental adaptability.

## Parameters of LW156FV ultra low king

| Item                         | Unit           | Parameter          |
|------------------------------|----------------|--------------------|
| Bucket Load                  | m <sup>3</sup> | 0.7                |
| Rated Load                   | kg             | 1200               |
| Rated Power                  | kw             | 55                 |
| Operating Weight             | kg             | 4390               |
| Max.Breakout                 | KN             | 44                 |
| Overall dimension<br>(LxWxH) | mm             | 5640 x 2060 x 2160 |
