LW700HV Wheel loader

- **Product Category:** Wheel Loader
- **Brand:** XCMG
- **Model:** LW700HV
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of LW700HV Wheel loader

XCMG's new HV series high-tonnage economic wheeled loader is built based on the customers' demands and the energy-saving and high-efficiency design concept, featuring high economy, comfort, reliability, and durability. With beautiful and elegant modeling, this product is applied with multiple new technologies, including slightly pressurized cab, APD hydraulic control, and multi-curve power matching, to realize high economy and energy-conservation, comfortable operations, and convenient repairs. The optional diversified attachments, including clamp and bale grab, can be installed to realize multi-functionality.

Parameters of LW700HV Wheel loader

Item	Unit	Parameter
Rated power	KW	210
Operating mass	KG	23800
Rated bucket capacity	m ³	4.2
Rated loading capacity	kg	7000
Dumping height	mm	3200
Overall machine dimensions (L×W×H)	mm	9050X3200X3620
