LW800HV Wheel loader

- **Product Category:** Wheel Loader
- **Brand:** XCMG
- **Model:** LW800HV
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of LW800HV Wheel loader

XCMG's new HV series high-tonnage economic wheeled loader is built based on the customers' demands and the energy-saving and high-efficiency design concept, featuring high economy, comfort, reliability, and durability. With beautiful and elegant modeling, this product is equipped with broad-vision cab to realize high driving/riding comfort. The multi-curve power matching and full-variable electro-hydraulic proportional control guarantee high energy-conservation and efficiency. The reasonable machine layout realizes one-stop repairs and maintenances. The optional diversified attachments, including clamp and sliding forks, can be installed to realize multi-functionality.

Parameters of LW800HV Wheel loader

Item	Unit	Parameter
Rated power	KW	226
Operating mass	KG	25500
Rated bucket capacity	m ³	4.5
Rated loading capacity	kg	8000
Dumping height	mm	3300
Overall machine dimensions (L×W×H)	mm	9150X3430X3635
