XC958 Wheel loader

- **Product Category:** Wheel Loader
- **Brand:** XCMG
- **Model:**XC958
- **Price:** **\$100000.00-\$1000000.00 / EA**
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XC958 Wheel loader

XCMG's new generation XC9 series intelligent medium-tonnage loader conformed to international stage-V emission regulation and features all-new streamline industrial exterior design, beautiful modeling, advanced and reliable performances, and high energy-conservation, efficiency, comfort, and convenience. The high-torque electronic control engine matches excellently with 5-speed full-automatic transmission to realize high working efficiency. The load-sensing hydraulic system remarkably improves the fuel economy. The heavy-duty large-span front and rear articulated frame with tapered roller bearing articulated pivots guarantees the high firmness and durability. The working device features intelligent control and high accuracy and efficiency and remarkably improves the comfort.

The international slightly pressurized low-noise panoramic cab conformed to the ergonomic requirements. The full-tilting cab and the large-angle integrally backward-opening hood centralize the oil drainage and can realize the one-stop maintenances. The optional diversified attachments, including sliding forks, clamp, lifting appliance, and quick change device, can be installed to realize

Parameters of XC958 Wheel loader

Description		Specifications	Unit
Rated bucket capacity		2.5-5.0	m3
Operating mass		18000	kg
Dumping height		3100	mm
Dumping reach		1100	mm
Overall length		8330	mm
Overall height		3445	mm
Bucket width		2996	mm
Maximum breakout force		175	kN
Maximum traction force		165	kN
Total cycle time		<10	S
Engine rated power		168	kW
Traveling speed	Drive gear I/II/III/IV	7/12/18/28/40	km/h
	Reverse gear I/II/III/IV	12/18/2007	km/h
