

Engineering & Construction Crane

XGC55T Crawler Crane

- **Product Category:** Crawler Crane
- **Brand:** XCMG
- **Model:** XGC55T
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XGC55T Crawler Crane

Maximum rated lifting weight 55t

41m main boom + 16m fixed jib, the widest operating range in the industry

Strong performance, leading the industry's 60t-level product performance

Crawler beam + counterweight with self-disassembly technology, no need the auxiliary crane when disassembly

Mainbody transport: weight <28.6t, width <3.0m, meet the requirement of 1.2m pallet truck

The telescopic crawler chassis equipped the excavator's roller and shoes, and the main engine counterweight has a graded load technology (4-level), which is more adaptable to working conditions

The main boom function is upgraded, which can realize any telescopic function. Industry-leading work efficiency, working condition combination and adaptability

The core accessories are imported and domestic first-line brands with high reliability.

Parameters of XGC55T Crawler Crane

Item	Unit	Data
Parameter Item	-	XGC55T
Weight parameter		*
Total mass in travel state	(kg)	63223
Power parameter		*
Engine model	-	QSB6.7
Engine rated power	(kw)	164
Engine emission standard	-	(non-road) EU Stage IIIA
Volume parameter		*
Hydraulic oil tank volume	(L)	900
Fuel tank volume	(L)	550
Main performance parameter		*
Max. rated lifting capacity	(t)	55
Max. load moment--basic boom	(kN·m)	2116.8
Max. load moment--longest boom	(kN·m)	1207
Lifting height--longest boom+jib	(m)	55
