

Engineering & Construction Crane

ZL30E Underground Loader

- **Product Category:** Underground Loader
- **Brand:** XCMG
- **Model:** ZL30E
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of ZL30E Underground Loader

XCMG's characteristic super-strong heavy-duty structural parts meet the operation needs under severe environment.

The computer-aided design and the fatigue rupture verification are applied comprehensively for the structural parts to ensure high firmness and reliability. The water treatment device is equipped to effectively filter the smoke and soot contained in the exhaust gas and guarantee the air quality of underground operation environment.

With three-level adjustable function, the cab shelter can be adjusted vertically based on the underground condition to adapt to diversified operation needs. The optional high-efficiency working devices, including enlarged bucket, extended boom, and side- dumping device, can be equipped to meet the needs of diversified working conditions.

Parameters of ZL30E Crawler Crane

Item	Unit	Parameter
Bucket Load	m ³	1.8
Rated Load	kg	3000
Rated Power	kw	92
Operating Weight	kg	10800
Max.Breakout	KN	130
Overall dimension (LxWxH)	mm	7245×2482×(3050、3130、3210)
