

Movable jaw crusher

- **Product Category:** Crushing And Screening Machinery
- **Brand:** XCMG
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of Movable jaw crusher

1. It carries a genuine engine imported overseas that has strong power, high efficiency and low consumption.
2. The crusher mainframe has a super long jaw that offers smoother flow of materials and stronger crushing performance; the discharge opening is hydraulically adjustable, which guarantees more convenient operation.
3. The crusher is equipped with an intelligent continuous feeding system that offers smoother flow of materials and more continuous production.
4. A series of automatic systems make manual operation more convenient, like wireless remote control, one-key start & stop, intelligent fault analysis, real-time monitoring and running state storage function, etc.
5. Low-pressure spraying and dedusting design and vibrating components shock absorbing design make the overall machine more environmental friendly.
6. It is equipped with a magnetic separator that can efficiently separate metal products
