

Excavator

XE2800E Mining Excavator

- **Product Category:** Mining Machinery
- **Brand:** XCMG
- **Model:** XE2800E
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XE2800E Mining Excavator

1. The 6kV high voltage motor is greener for the environment and can lower use cost of engine by at least 30%.
2. The genuine hydraulic elements imported overseas are quality guaranteed.
3. Pure-electric positive flow control system offers more sensitive operating experience and brings higher working efficiency.
4. Heavy-duty type structural parts have reinforced rigidity, lower stress and higher reliability, and are suitable for mining working conditions.
5. The FOPS pressurized cab has a super large interior space and is equipped with multi-point shock absorbers, providing the operator a wide, clean, safe and comfortable operating environment.
6. Centralized injection system, sealing and floating type pin shaft structure and automatic lubrication system together ensure convenient and high efficient vehicle maintenance.

Parameters of XE2800E Excavators

Item	Unit	Parameter
Operating weight	kg	280000
Engine power	kW/rpm	1200/1500
Bucket capacity	m ³	12-17
Max. bucket rod digging force	kN	1200
Max. bucket digging force	kN	935
Walking speed	km/h	1.5-2.0
Slewing speed	r/min	4
Max. digging radius	mm	13880
Max. dumping height	mm	10300
