

Excavator

XE4000 Mining Excavator

- **Product Category:** Mining Machinery
- **Brand:** XCMG
- **Model:** XE4000
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XE4000 Mining Excavator

1. The excavator is an assembly of high-end technologies whose key components are globally advanced. The entire vehicle is characterized with high reliability, high efficiency, high intelligence and convenience of maintenance.
2. Excellent performance of electrically controlled positive flow system that perfectly matches XCMG independently developed control system ensures smooth and steady combined movements, increases operating efficiency and reduces oil consumption.
3. Low operating cost of full life span: the oil circulation system and exhaust gas injection technology integrated in the engine have greatly extended maintenance interval and reduced use cost; meanwhile, the quantity of main pumps is the least in this industry which leads to low replacement cost of assemblies.
4. Intelligent monitoring system and fault self-analysis system, ground level oil injection, centralized lubrication system and diversified safety devices altogether guarantee safe and efficient overall vehicle operation, convenient maintenance and high adaptability to

demanding mining conditions.

5. Modular design of the vehicle makes it easy and convenient for site transfer.

Parameters of XE4000 Excavators

Item	Unit	Parameter
Operating weight	kg	384000
Engine power	kW/rpm	1491/1800
Bucket capacity	m ³	15-23
Max. bucket rod digging force	kN	961
Max. bucket digging force	kN	1057
Walking speed	km/h	1.6/2.3
Slewing speed	r/min	3.1
Max. digging radius	mm	18050
Max. dumping height	mm	11740
