

Pilling Machinery

XTR4/180 XTR Series Tunnel Roadheader

- **Product Category:** Tunnel Machinery
- **Brand:** XCMG
- **Model:** XTR4/180
- **Price:** **\$100000.00-\$1000000.00 / EA**
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XTR4/180 XTR Series Tunnel Roadheader

It's applicable for highway,railway,subway and water conservancy tunneling work.

Parameters of XTR4/180 XTR Series Tunnel Roadheader

Item	Unit	Parameter
Weight	t	49
Dimension		
Length/Include second conveyer	mm	11870/20000
Width		
Ramp plate	mm	1900/2500/2800
Main frame	mm	1700
Height		
The highest point of cutting head for laying horizontally	mm	2030
Main frame	mm	1780
Undercut max	mm	200
Ground Clearance	mm	190
Cutting cross section		
Height	mm	4200
Width	mm	4300
Gantry Height	mm	290
Traveling Speed	m/min	6.5
Power of Cutting motor	kW	180/110
Power of Pump Station Motor	kW	90
Supply voltage	V	AC1140
Frequency of Power	Hz	50
Loading Ability	m ³ /min	Star Wheel Type/3.0
Pressure of the Spraying System	MPa	≥2
