

Concrete Machinery

HZS40VY Concrete Batching Plant Mobile Type

- **Product Category:** CONCRETE MACHINERY
- **Brand:** XCMG
- **Model:** HZS40VY
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of HZS40VY Concrete Batching Plant Mobile Type

Concrete batching plant is a kind of automation equipment that automatically weighs multiple raw materials (aggregate, gelatinizing materials, water and liquid additive) as per a formula, mixes through forced mixer and produces finished concrete meeting requirements.

Parameters of HZS40VY Concrete Batching Plant Mobile Type

Item	Unit	Parameter
Theoretical capacity	m ³ /h	40
Capacity of mixer	m ³	0.75
Installed capacity	kw	69
Aggregate bin	m ³	4×5
Conveyor type	-	Belt
Additive bin	-	Optional
Silo	-	Optional
Control room	-	Optional
