

Port Machinery

XCS1009K Container reach stacker

- **Product Category:** Port Machinery
- **Brand:** XCMG
- **Model:** XCS1009K
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XCS1009K Container reach stacker

XCMG container reach stacker is designed to help you improve the efficiency of container handling, combining advanced global design concepts, mature and reliable technology, and top-notch supporting systems, creating a high performance, user-friendly operation, low operating cost container reach stacker

Parameters of XCS1009K Container reach stacker

Item	Unit	Parameter
Engine model	-	Cummins
Rated power	rpm	178
Stage Emission	-	EU3/Tier 3, EU4/Tier 4F, EU5
Transmission	-	DANA TE14
Axle	-	Kessler
Max Lifting capacity	t	10
Lifting height	mm	16200
Wheelbase	mm	5000
Stacking	toplift	6 high,3 deep
Dimension	mm	10,850*6,053*4,000
Battery	-	/
Battery capacity	kWh	/
Motor	-	/
