

## Port Machinery

### XCS4531E Container reach stacker

- **Product Category:** Port Machinery
- **Brand:** XCMG
- **Model:** XCS4531E
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

#### Product Feature of XCS4531E Container reach stacker

With a lifting capacity of up to 45 tons, XCMG electric reach stacker can help improve the eco-efficiency of your operation while maintaining the highest levels of productivity and safety. With a range of modular battery options and charging solutions, we can work with you to design a solution that will work for your business.

## Parameters of XCS4531E Container reach stacker

| Item                 | Unit    | Parameter                                |
|----------------------|---------|------------------------------------------|
| Engine model         | -       | /                                        |
| Rated power          | rpm     | /                                        |
| Stage Emission       | -       | /                                        |
| Transmission         | -       | DANA                                     |
