

Sanitation Machinery

XZJ5310ZXX Detachable Container Garbage Truck

- **Product Category:** Sanitation Machinery
- **Brand:** XCMG
- **Model:** XZJ5310ZXX
- **Price:** \$100000.00-\$1000000.00 / EA
- **Delivery Time:** 1-90DAYS
- **Supply Capacity:** 1-500UNITS / Year
- **Product Origin:** China
- **After-sales Service:** Engineers available to service machinery overseas.

Product Feature of XZJ5310ZXX Detachable Container Garbage Truck

It is high-flexibility and multi-purpose vehicle for garbage collection and transportation. Pulling arm is set and multiple containers can be optional for one vehicle, which improves the utilization ratio of single truck.

(1) Industrial Standards, Excellent Quality

it cooperates with domestic famous universities and colleges to develop pulling arm type self-loading and unloading device structure analysis software, mainly balancing such elements as cost and process, realizing high quality and optimal schem.

(2) Intelligent Joint Control, Convenient Reliability

Electric-hydraulic joint control technology is adopted; circuit is simplified and safe interlocking function is realized, which can ensure motion interlocking during electrical control and manual control. It is convenient for troubleshooting while safety and reliability is guaranteed. Hydraulic locking is adopted for the container lock, and it is convenient for operation.

Parameters of XZJ5310ZXX Detachable Container Garbage Truck

Item	Unit	Parameter
Total Weight	kg	31000
Curb Weight	kg	13800
Max. Speed	km/h	82
Wheelbase	mm	3500+1350+1350
Matching Box Dimension	mm	2700x6950x2320
Matching Box Specification	m ³	30
